

## **Workshop on ESF support to capacity building of social partners: national examples & experiences**

### Questions for Workshop:

- What does capacity building of social partners mean to you in practice?
  - Please give examples of capacity building initiatives which you have undertaken and/or which you think are necessary.
  
- Are there dedicated strands of funding which are specifically dedicated to capacity building of social partners?
  - Please give examples of how are these funds are managed and used in practice.
  
- Can you provide some examples of good/bad experiences in using, or trying to use, funds for capacity building?
